Please note: Any incentive amounts or product types included in this and other supporting documents are intended as references only. Incentive levels can and will change throughout the life of the program based upon market trends, program performance, or utility needs and priorities. Check with your participating HVAC /Plumbing distributor for further/specific product and install eligibility details. Zipcodes do not determine final eligibility, to participate in the 2025 Comfortably CA program, it is mandatory to verify that the address is serviced by one of the following utility providers: PG&E, SoCalEdison, or SDG&E. If it is discovered that the home is not serviced by one of the designated utilities, any rebate granted will be rescinded.
